OVERVIEW

This unit describes the skills and knowledge required to design and to develop assessment tools used to guide the collection of quality evidence, including their application in formative, summative and recognition of prior learning (RPL) assessment. It applies to experienced practitioners responsible for the development and/or delivery of training and assessment products and services. This course provides learners with one of the ASQA required units to be eligible to be employed in the Australian VET Sector.

Pre-training Review

You must complete a compulsory pre-training review before attending class.

Prior to your enrolment a pre-training review will be conducted with you to confirm that the course you are seeking to enrol into meets your individual needs. The link will be emailed to you upon your booking. Failure to complete will **incur a \$20 administration** fee for a booking cancellation or transfer.
