

## AgVet Chemical Users Course

**COLAC  
HAMILTON  
PORTLAND  
WARRNAMBOOL**

**2 DAYS (ONE WEEK  
APART)**

**\$525.00**

### OVERVIEW

#### THE FORMULA FOR SAFE CHEMICAL HANDLING

**Broaden your knowledge to increase safety in the workplace**

Endorsed by AusChem, this course gives you the training that assures business owners and employers that you can work safely and responsibly and is designed to give you the knowledge to accurately interpret information written on chemical labels and the skills to manage all issues associated with the purchase, storage, handling, use and disposal of chemicals.

#### Content

- Pests and pest control
- Understanding farm chemicals
- Selecting chemicals
- Reading the label
- Transporting and storing chemicals
- Decanting and mixing chemicals
- Applying chemicals
- Cleaning up and disposing of chemicals
- Emergency procedures for first aid
- Planning chemical use
- Hazard and risk assessment

#### Pre-training Review

*You must complete a compulsory pre-training review before attending class.*

Prior to your enrolment a pre-training review will be conducted with you to confirm that the course you are seeking to enrol into meets your individual needs. The link will be emailed to you upon your booking. Failure to complete will **incur a \$20 administration fee** for a booking cancellation or transfer.

#### Accreditation

Successful completion of this training will assist you in gaining licensing from the Department of Environment, Land, Water and Planning (DELWP), including the Agricultural Chemical User Permit (ACUP).

You'll also receive credit and certification for the following accredited units from AHC30116 - Certificate III in Agriculture:

- AHCCHM307 - Prepare and apply chemicals to control pest, weeds and diseases
- AHCCHM304 - Transport and store chemicals

## Student Support

At South West TAFE we're here to help you complete your studies happily and successfully.

From the moment you start thinking about course options until you finish, you'll have access to a range of student support options, covering enrolment, education, social and personal issues, including:

- Education Pathway Officers who can help you with information sessions, fee payment options, TAFE and university pathways, career pathways and campus tours
- A DHHS registered Disability Support Team
- Koorie Liaison Officer
