## AgVet Chemical Users Course Refresher

### OVERVIEW

#### FORGOTTEN SOMETHING?

**Refresh your skills to keep up with changing work practices**

Designed to bring you up-to-date with the changes that have occurred in AgVet chemical use since your original certification, this training covers the process of applying chemicals under supervision, using handheld or small powered equipment, as well as transporting, handling and storing chemicals safely.

#### Content

- Change to labels
- Application equipment and calibration
- New legislation in place
- Records and vendors declarations
- Hazards and chemical use
- Personal protection
- Integrated pest management

#### Student Support

At South West TAFE we're here to help you complete your studies happily and successfully.

From the moment you start thinking about course options until you finish, you'll have access to a range of student support options, covering enrolment, education, social and personal issues, including:

- Education Pathway Officers who can help you with information sessions, fee payment options, TAFE and university pathways, career pathways and campus tours
- A DHHS registered Disability Support Team
- Koorie Liaison Officer
- Student Wellbeing Officer supporting your personal and social needs
- Library and Research Centre
- Bookshop supplying a range of textbooks and stationery
- Student Learning Support including literacy and numeracy
